ENVIRONMENTAL POSITIONS

REF: STATE 83246

1. Per reftel, Poloff delivered demarche, second in a series of four, on topics for the International Civil Aviation Organization (ICAO) to Terence Craig, Head of the Americas Division at the Ministry of Foreign Affairs (MFA) July 6, 2007. Craig said that he was unaware of our desire to seek support for these U.S. positions, and co-sponsorship, on the Assembly working paper on environmental issues that will be reviewed at the 36th session of the ICAO General Assembly. Craig said he would pass this information on to individuals who handle these matters in the Ministry of Labor, Technology, and Environment, Ministry of Transportation, Communication, and Tourism, Ministry of Trade and Industry, and Ministry of Foreign Affairs. Craig added he would inform post of developments.
